1. Announcement of National 4-H Conference

Enclosed are copies of the announcement of the forthcoming National 4-H Conference. These are designed to provide useful information for delegates and leaders attending this event. Please note pages 1 and 2 on National Conference objectives. We hope these will be helpful as you prepare your State representatives for their part in this important national 4-H meeting.

2. Evaluation of Delegates for Special Assignments

National 4-H Conference is the time to "use the best." There will be some important assignments for delegates; i.e.:

Presiding at assemblies	Serving on Recreation Committee
Leading discussions	Leading singing
Taking part in radio and television programs	Participating in special ceremonies
	Other services

All delegates will be assigned to one or more committees. Help us select the "best" by evaluating the competency of the boys and girls from your State. Please use the attached sheet.

3. Photographs Are Needed

Please request each delegate to submit an individual photo, approximately  $3\frac{1}{2}$ " x 5" in size. Prints should show only the head and shoulders and accompany registration form.

4. All States

Tuesday, June 17, 12:00 noon to 5:30 p.m. is designated as All States Day. We recommend this as an appropriate time for your delegation to meet your Congressmen and plan for other activities of special interest to your group.

5. Conference Operations Committee Assignments

Attached is a list of tentative committee assignments. Please advise us at once if these are not satisfactory.
